Dear Mr. Wilson:

Your recent submittals, reclamation plans for the above listed four (4) mines, were sent in with your request for all sections of the plans to be classified as confidential. As you may, or may not, know, this is not possible under the Utah Act.

Please designate which portions of the plan you wish to be held as confidential that relate to the location, size, or nature of the deposit.

We will rectify the file upon receipt of your request.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS  
COORDINATOR OF MINED
